

## 2022 – April

Trustees met on the 27<sup>th</sup> April for their fourth full meeting of 2022. The meeting included updates from two of the three sub-committees Property and Grants and considered five applications from local organisations.

Trustees are delighted to be working with Okehampton Town Council and Okehampton Hamlets Parish Council to celebrate the Queens Platinum Jubilee.

Trustees invited Mary Lovell and Claire Bridgeman of **Community Links SW CIC** to offer a presentation on the organisation and its services in the local area. Community Links offer help for families – supporting parenting and other family issues and help for individuals – supporting mental wellbeing and other life issues. If you would like to know more about the organisation or the support available locally, please email [info@communitylinks-sw.co.uk](mailto:info@communitylinks-sw.co.uk) or call 07808523111.

Grants were awarded to **The Get Changed Theatre Company** and **La Leche League** for training and workshops locally. **Tor Support Services** were awarded an emergency grant to enable additional counselling.
